Chief Environmental Health and Safety Officer
Nuisance Domestic Animal (pets) Policy

Except for assistance animals and tropical fish, animals are not permitted in the interior of any University building, nor shall Faculty, Staff, or Students maintain any animal on University property. Any exceptions - such as animals used in education, research, or housed on farms - must have prior approval of the University Veterinarian and Clemson EHS.

Any domestic animal found on University property in violation of this policy is subject to collection and transport to the Foothills Humane Society.
